

Jerry Hoffman - HoF - 2011

JERRY HOFFMAN, Laguna Hills CA

Jerry was introduced to softball in 1969 but it was in the late 1970s and 1980s that he competed in the Western Softball Congress and attended a long string of ISC tournaments.

In 1983, in Bakersfield CA, Jerry's Lancaster CA Chameleons won the World Tournament and had top three finishes in 1984 and 1986.

In 1986 Jerry equaled the ISC record for hits (16) in a double knockout tournament, a mark that stood for a decade.

In ten ISC World tournaments, Jerry was All World three times with the Chameleons and was highly regarded as one of the best-ever defensive first-base infielders in the game, while consistently maintaining a .300 batting average.
