

## Stan White - HoF - 1970

A lifelong resident of Long Beach, Stan White was a standout baseball player at Wilson High School.

World War II interfered with his pursuit of a professional baseball career and after a short stint in the Brooklyn Dodgers farm system, Stan began his 20-year career with the Long Beach Nitehawks.

During his career, Stan was named All-American an unprecedented 15 times. He is also an inductee of the International Softball Congress Hall of Fame.

Describing his abilities, Red Meairs said it best, "Anyone who doesn't know that Stan was far and away the greatest catcher to play the game, just hasn't followed softball."
